The Last Arrow: Find Your People

Sunday, August 16, 2020

Pastor Brenda Young | Cornerstone Church Senior Pastor

Scripture: *Proverbs 13:20; 1 Peter 2:10*

Summary: Even Jesus didn't go it alone. Your future is people. If you want to have a "last arrow life," you will have to choose to let go of the people who don't call out your best and move towards the people God brings your direction who speak to your potential and calling. You have to build your tribe.

Talk it Over:

1. What impacted you most about the message?
2. How do you identify the people who are foolish for you to have in your tribe?
3. How do you identify the wise people?
4. Who has God brought you already who could or should be on your team?
5. Whose team do you need to be on? Who do you need to encourage?
6. You ARE a person. But are you a PEOPLE? Why or why not? What do you need to do about it?
7. "The healing your soul needs will only come in community." Reflect and discuss.
7. Jesus' tribe is the CHURCH. What does that say to you?

**Your greatest regrets and your greatest success are always connected with people.
You can't live an A+ life when you keep making C- decisions.**

Talk it Over with Kids:

- Who are your best friends? Do they make you better? How do they help you?

- Do you have friends who make it easy for you to get in trouble or do things that you know are wrong? What should you do if so?
- Who is someone you could invite to be on your “team of friends” that would encourage them and you?
- What are three characteristics your closest friends should have?
